2	The reason for selection of the candidate. Selection shall be with reference to the qualifications, achievements and merit of the candidate, not mere "winnability" at the polls (not more than 100 words.)	The selected candidate is very popular in terms of generosity, hard working nature and philanthropy works in his constituency. Because of his good deed and down to earth nature, the people of his area elected him as ZILA PARISHAD MEMBER and the party has made him as ZILA PARISHAD CHAIRPERSON of the DISTRICT.
3	Reasons as to why other individuals without criminal antecedents could not be selected as candidates (not more than 100 words)	The selected candidate is very dynamic and dedicated party worker. The people from his constituency want to elect him as Member of Legislative Assembly. The allegations and complaints have been filed against the selected candidate out of jealousy, personal grudges and for political vendetta. This the reason till date no charge/offence explanation has been done against the selected candidate. Other candidates are not popular and dynamic and have no chance of winning the election.
